SUMMARY

Board-certified physician assistant with five years in emergency and urgent care. I see 25 to 30 patients a shift, work well in a busy department, and take the time to explain discharge plans so patients actually follow them.

LICENSES AND CERTIFICATIONS

- Physician Assistant, Certified (PA-C), board certified through 2030
- North Carolina physician assistant license, active
- DEA registration, active
- BLS, ACLS and PALS, current

CLINICAL EXPERIENCE

Pecanwood Health System, Emergency Department — Durham, NC
Physician Assistant — Aug 2022 – Present

- See 25 to 30 patients a shift in a 48-bed emergency department with about 70,000 visits a year
- Perform procedures including laceration repair, splinting, incision and drainage, and joint reductions
- Helped write the chest pain pathway for low-risk patients, cutting average stays by 2 hours
- Precept PA students from two programs, about six students a year

Quenmore Health Partners — Raleigh, NC
Physician Assistant — Jan 2021 – Jul 2022

- Treated about 35 patients a shift across three urgent care clinics
- Read X-rays with radiology overreads and managed common fractures and sprains
- Started a same-day callback list for abnormal lab results, cutting missed follow-ups

Ferrowby Medical Center — Greenville, NC
Emergency Department Technician — Jun 2016 – Jul 2018

- Took vitals, drew blood, ran EKGs and helped with procedures for about 40 patients a shift

EDUCATION

Wendlow College of Medicine — Erie, PA
Master of Physician Assistant Studies — *Dec 2020*

- Clinical rotations: emergency medicine, family medicine, surgery, pediatrics, psychiatry

Marlbrook University — Greenville, NC
Bachelor of Science in Biology — *May 2016*
