Denver, CO | (720) 555-0137 | maya.lindqvist@example.com | linkedin.com/in/mayalindqvist

SUMMARY

Product manager with six years in scheduling and payments software. I work closely with design and engineering, talk to customers every week, and like features that are small enough to ship in a month and measure in the next one.

EXPERIENCE

Product Manager Mar 2023 – Present
Tarrowfield Software *Denver, CO*

- Own scheduling and shift swaps for about 3,000 hourly teams
- Cut unfilled shifts by 18% by adding swap requests and reminders after interviewing 40 store managers about why shifts went empty
- Run quarterly planning with two engineering teams and a designer
- Wrote the team's first product metrics guide, so every launch now ships with a named success measure and a review date

Associate Product Manager Jun 2020 – Feb 2023
Ferncastle Payments *Denver, CO*

- Launched saved cards for repeat customers; checkout time fell by a third
- Ran 25 A/B tests on the payment page and kept a public log of every result
- Handled the product side of a card network change on a fixed deadline

Business Analyst Jul 2018 – May 2020
Gorseholt Distribution *Aurora, CO*

- Built weekly order reports in SQL and Excel for 12 warehouse managers
- Wrote requirements for a new returns process that reduced manual data entry

EDUCATION

Pinyon Draw University Boulder, CO
Bachelor of Science in Information Systems *May 2018*
