SUMMARY

Marketing coordinator with five years of experience running email and social campaigns for a regional health network and a retail brand. Comfortable with HubSpot, Google Analytics and Excel, and used to turning campaign results into short reports for managers.

EXPERIENCE

Kettlewell Health Partners Columbus, OH
Marketing Coordinator Jun 2023 – Present

- Plan and send 10 to 12 patient email campaigns a month in HubSpot; average open rate rose from 24% to 31%
- Built a monthly Looker Studio report on appointment requests that the director uses in budget meetings
- Coordinate print and social assets for 14 clinic locations with two designers and an outside print vendor
- Wrote the team's first email style guide, which cut review rounds per campaign from three to one

Ostrafell Outfitters Columbus, OH
Marketing Assistant Aug 2021 – May 2023

- Scheduled Instagram and Facebook posts for three store openings; followers grew from 4,800 to 9,100
- Tracked weekly promo results in Excel and flagged two coupon codes that were losing money
- Wrote product descriptions for about 150 items when the online store launched in 2022

Turnip & Tansy Market Dublin, OH
Sales Associate Jan 2019 – Jul 2021

- Helped about 80 customers a shift and trained five new hires on the register and returns process
- Built the weekly endcap displays for seasonal items, which the store manager used as the model for other aisles
