SUMMARY

B2B marketing manager with seven years in software, focused on demand generation and product launches. I manage budgets, run small teams and report pipeline numbers to sales leadership every week.

EXPERIENCE

Marketing Manager Jan 2023 - Present
Tarrowfield Software Austin, TX

- Own a \$1.4M annual demand generation budget across paid search, events and webinars; marketing-sourced pipeline grew 46% in 2025
- Led the launch of the company's mid-market product with sales and product; it closed \$2.2M in its first two quarters
- Manage two marketing specialists and an agency, and set the quarterly plan with the VP of Sales

Marketing Specialist Jun 2019 - Dec 2022
Parkway Analytics Dallas, TX

- Ran email nurture programs in Marketo for 60,000 contacts; lead-to-meeting conversion rose from 3.1% to 5.4%
- Rebuilt the website's pricing and demo pages with the design team, raising demo requests by 38%
- Wrote 30 customer case studies by interviewing users and their account managers

Marketing Coordinator Aug 2017 - May 2019
Tallowbird Events Houston, TX

- Coordinated logistics and email invitations for about 40 corporate events a year

EDUCATION

Cypresswick University Houston, TX
Bachelor of Business Administration, Marketing May 2019
