SUMMARY

Customer success manager with seven years in software for labs and event teams. I manage renewals worth about \$4 million a year, and I'm known for catching unhappy accounts early, before they show up in the numbers.

EXPERIENCE

Senior Customer Success Manager Apr 2022 – Present
Quill & Flask Labs Austin, TX

- Manage 45 lab accounts with \$4.1 million in yearly renewals and 96% gross retention last year
- Built a health score from support tickets and product usage that flags accounts at risk about two months earlier than before
- Lead quarterly business reviews with lab directors and bring their requests back to the product team
- Onboarded and coached three new managers on the team

Customer Success Manager Jan 2019 – Mar 2022
Tallowbird Events Austin, TX

- Looked after 120 event agencies through the switch to a new ticketing platform, losing only four
- Wrote the onboarding guide and video series that cut setup calls from three to one
- Turned 22 accounts into paid upgrades by showing them features they already had but didn't use
- Ran the customer advisory group of 12 agencies that tested new features before release

Account Coordinator Jun 2017 – Dec 2018
Rattlebrush Brewing Company San Antonio, TX

- Handled orders and delivery problems for 90 bars and restaurants across three cities
- Kept the distributor price list current and caught billing errors before invoices went out
- Set up delivery schedules with three distributors and handled out-of-stock calls
