SUMMARY

Graphic designer with five years of brand, packaging and campaign work for food and beverage clients. Comfortable taking a project from first sketch to print-ready files and working closely with copywriters.

EXPERIENCE

Senior Graphic Designer Feb 2023 - Present
Juniper & Vale Creative Austin, TX

- Led the packaging redesign for a regional coffee roaster across 18 products; retail sales rose 22% in the first two quarters
- Built a brand system in Figma with type, color and layout rules that cut new campaign setup from a week to two days
- Present concepts to clients and art direct two junior designers and one freelance illustrator
- Designed the agency's pitch template, used in 12 new business presentations last year

Graphic Designer Jun 2020 - Jan 2023
Lone Oak Brewing Company San Antonio, TX

- Designed labels, tap handles and point-of-sale displays for 30 seasonal releases, all printed on schedule
- Prepared print files for three vendors and caught a color profile error that would have reprinted 40,000 labels
- Made social graphics and short motion pieces in After Effects that doubled average engagement on new release posts
