SUMMARY

HR specialist with five years supporting 300 to 600 employees in manufacturing and health care. Most of my work is recruiting, onboarding and employee relations. SHRM-CP.

EXPERIENCE

Human Resources Specialist May 2022 - Present
Lakeport Components Milwaukee, WI

- Handle full-cycle hiring for about 90 roles a year across two plants; time to fill dropped from 41 days to 27
- Rebuilt onboarding into a two-week plan with checklists for managers; first-90-day turnover fell from 24% to 13%
- Investigate and document employee relations cases and advise supervisors on leave, accommodation and discipline
- Moved personnel files and time-off requests into BambooHR for 480 employees

Recruiting Coordinator Jul 2020 - Apr 2022
Brightwater Home Health Madison, WI

- Scheduled about 60 interviews a week for nursing and caregiver roles and ran Saturday hiring events
- Set up text reminders for candidates, which cut interview no-shows by about a third
- Kept the applicant tracking system clean and sent weekly pipeline reports to hiring managers

EDUCATION
