SUMMARY

Registered nurse with four years on a 32-bed medical-surgical unit, including two years as relief charge nurse. BSN, Colorado RN license, BLS and ACLS.

EXPERIENCE

St. Brendan Medical Center

Denver, CO

Registered Nurse (Med-Surg)

Aug 2022 – Present

- Care for five to six adult patients per shift, including post-op, sepsis and diabetic patients
- Serve as relief charge nurse about six shifts a month, making assignments for nine nurses and handling admissions
- Joined the unit's falls committee; hourly rounding changes we introduced cut falls from 11 to 4 in a year
- Precept new graduate nurses and have oriented seven through their first 12 weeks

Front Range Rehabilitation Hospital

Aurora, CO

Registered Nurse

Jun 2021 – Jul 2022

- Managed medications and wound care for 12 rehab patients on day shift and documented every assessment in Epic
- Taught patients and families how to manage new insulin and blood thinner routines before discharge
- Worked with physical therapists to plan safe discharges for stroke and joint replacement patients

EDUCATION

Rocky Ridge University

Fort Collins, CO

Bachelor of Science in Nursing

May 2021

- Capstone: 160 hours in a cardiac intensive care unit
- Sigma Theta Tau International Honor Society of Nursing
