PROFESSIONAL SUMMARY

Program analyst with ten years in public and nonprofit programs, most recently managing performance data and grant reporting for a county human services department with a $96 million budget. Applying for Management and Program Analyst positions at the GS-11 or GS-12 level.

WORK EXPERIENCE

Program Analyst Aug 2021 – Present

Larkmead County Department of Human Services *Rockville, MD*

Hours per week: 40 | Salary: $84,500 per year | Reports to: Lena Ortiz, (301) 555-0142, may contact

- Track performance for 14 programs serving about 22,000 residents a year, including food assistance, housing support and job training
- Built the department's monthly performance dashboard in Power BI, replacing 30 separate spreadsheets; leadership now reviews it at every monthly meeting
- Prepare quarterly reports for four federal and state grants worth $11 million in total, all submitted on time with no findings in two federal monitoring reviews
- Led a review of the emergency rental program's application process that cut average decision time from 34 days to 19 days
- Write policy briefs and budget justifications for the department director and the county council, usually on a two-week turnaround
- Train program staff on data entry standards and run a quarterly data quality check

Grants Coordinator Jun 2018 – Jul 2021

Ladle & Lamp Community Kitchen *Baltimore, MD*

Hours per week: 40 | Salary: $52,000 per year | Reports to: Carla Benson, (410) 555-0164, may contact

- Managed 18 public and private grants worth $2.4 million a year, start to finish
- Wrote or co-wrote proposals that brought in $3.1 million in new funding over three years, including the organization's first federal award
- Set up a grants calendar and tracking system that ended late reports, which had happened four times the year before
- Worked with the finance manager on grant budgets, cost allocation and audit preparation
- Collected and checked outcome data from five program sites for funder reports
- Prepared the organization's first single audit with the finance manager and outside auditors; the audit closed with no findings or questioned costs
- Represented the kitchen at the city's food security coalition and coordinated two joint grant applications with partner groups

Program Assistant Sep 2016 – May 2018

Rosehip Food Share *Baltimore, MD*

Hours per week: 40 | Salary: $36,000 per year | Reports to: Marcus Hale, (410) 555-0138, may contact

- Coordinated weekly food distribution at 12 partner sites serving about 3,000 households
- Kept the client database current and produced monthly service reports for the board
- Recruited and scheduled about 60 volunteers a month
- Wrote the volunteer handbook and ran monthly orientation sessions for new volunteers
- Tracked donated food by source and category for the annual report to funders and the board
- Answered client calls and referred families to county and state benefit programs

- Helped prepare the annual budget for the distribution program
